### FLOOR CARE & MAINTENANCE

First – Sweep and dry mop using a microfiber dry mop pad.

Next – Damp mop with approved **pH neutral** cleaner (We recommend using ENCORE or BONA as a laminate cleaner. Clean in sections quickly as the spray will dry quickly.

Finally – Damp mop with water only to remove any retaining residue from the floor.

- Walk off mats should be placed at entrances and doorways.
- Non-staining floor protectors should be placed under heavy furniture, chairs and tables.

**DO NOT STEAM CLEAN**
